**Annie Rose Is My Little Sister** Shirley Hughes

**Siblings everywhere will identify with this charmingly realistic story of Shirley Hughes's Alfie and his trying but lovable little sister.**

Annie Rose and Alfie have lots of games they like to play together, like being scary monsters or running their own store. But there are some things Annie Rose is too little to do, and even some things Alfie would rather do without her. Still, if Annie Rose is ever sad or cranky, her big brother is the only person who can make her feel better. This is Shirley Hughes at her best - warm and wonderfully observed illustrations and a touching text convey the special bond between siblings.
