Johnny Cash's American Recordings (33 1/3)

Tony Tost

Johnny Cash's American Recordings (33 1/3) Tony Tost

When Johnny Cash signed to Rick Rubin's record label in 1993, he was already in the wax museum of memory, a fondly regarded but totally marginalized legend, unheard on the radio and unseen on the charts. His odyssey from oldies act to folk hero depended entirely on his first *American Recordings* album, a record of uncompromising directness.

Tony Tost digs into the worlds of *American Recordings*, showing it to be the crossroads where cultural, spiritual and mythic forces came together, reanimating and revitalizing The Man in Black. Tost has written a guidebook to myth and mystery, revealing the stark, often hidden terrains of Cash's greatest album. *American Recordings*: the sound of history singing to itself. *American Recordings*: the secret ache of the old, weird American. *American Recordings*: a man alone with the silence and darkness, buying back his soul, one song at a time.
