Right as Rain: A Novel (Ballantine Reader's Circle) Bev Marshall

A richly emotional novel spanning two decades in the Deep South, the story of Tee Wee and Icey—a cook and a housekeeper working side-by-side in rural Mississippi—as well as their children and the family that employs the two women, is a prism through which we view the universal: racial strife, shattered ties, secrets, and redemption. Illuminated by a resonant storytelling voice and dialogue that rings loud and true, *Right as Rain* provides indelible portraits of indomitable characters and an almost tangible sense of place, while revealing a deep understanding of race in mid-century America's south.
