The Odd Squad

Joe Benevento

The Odd Squad Joe Benevento

Narrated by the characters themselves, *The Odd Squad* is a story of the streets in a working-class, post "white-flight" neighborhood in Queens in the early '70's. On a block where muggings, drug-deals and racial conflicts are commonplace, three teens, Willie King, Frankie Nero and Luis Flores, "one black, one white, one Puerto Rican," are labeled "The Odd Squad," for being best friends in spite of powerful neighborhood pressures to stick with "their own kind."

Reflecting the street language, music, dance, dress and sub-cultures of the times, *The Odd Squad* tells a story of friendship challenged by peer pressure, prejudice and the allure of sex and drugs. It also tells a story of interracial romance between Frankie and Luis's sister Laura, whose chances for happiness are challenged by a neighborhood perhaps readier to explode from hate than to be redeemed by love.
