After the publication of his best-selling book *Power Animals*, many people inquired about the meaning of spirit animals that were not contained in that work. In *Animal Spirit Guides*, Dr. Farmer provides concise, relevant details about the significance of more than 200 animals that may come to you in physical or symbolic form as guides and teachers. With each animal listed, you'll find general meanings of the visitation; practical ways that they can help you as spirit guides; and how, as your power animal, they reflect characteristics that you possess. You'll also find a "whom-to-call-on" section that will tell you which animal spirit guide to call on for any specific purpose. This edition is in two volumes. The second volume ISBN is 9781459614161.
