Autumn's Kiss Bella Thorne

“We promise you’re going to love it.” —Teen Vogue.com on *Autumn Falls*

***Autumn’s Kiss*—book two in the AUTUMN FALLS series by *Scream* star Bella Thorne—is perfect for fans of *Girl Online*, Meg Cabot, and any teen or tween looking for a sweet, silly, and fun read with just a touch of magic!**

Everyone knows how crazy junior year is, but Autumn Falls never imagined it would be so flirty. Between trying to decode what’s going on with her and Sean, not knowing how to react when J.J. tells her *he’s* the one she should be with, and feeling a little starstruck when a pop star makes a major play for her, Autumn is totally confused.

But boys are only the half of it. The drama is about to get even BIGGER when she’s given an incredible opportunity: a map that takes her anyplace she wants to go. At first it seems like an amazing, crazy-fun gift. But showing up IRL where you’re least expected has life-changing consequences. Is Autumn ready to handle the fallout?

From reader reviews:

Martin Sanchez:

Book is to be different for every single grade. Book for children until finally adult are different content. As we know that book is very important for us. The book Autumn's Kiss seemed to be making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The guide Autumn's Kiss is not only giving you more new information but also to be your friend when you feel bored. You can spend your own spend time to read your book. Try to make relationship with all the book Autumn's Kiss. You never really feel lose out for everything in the event you read some books.

Ellen Jones:

As people who live in the particular modest era should be revise about what going on or info even knowledge to make all of them keep up with the era which can be always change and make progress. Some of you maybe can update themselves by reading through books. It is a good choice for you but the problems coming to a person is you don't know which you should start with. This Autumn's Kiss is our recommendation so you keep up with the world. Why, because book serves what you want and wish in this era.

David Bostick:

Reading a guide tends to be new life style with this era globalization. With reading you can get a lot of information that can give you benefit in your life. With book everyone in this world could share their idea. Textbooks can also inspire a lot of people. Many author can inspire their own reader with their story as well as their experience. Not only the storyplot that share in the publications. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors nowadays always try to improve their expertise in writing, they also doing some research before they write for their book. One of them is this Autumn's Kiss.

Dale Vaught:

In this age globalization it is important to someone to find information. The information will make someone to understand the condition of the world. The condition of the world makes the information simpler to share. You can find a lot of personal references to get information example: internet, classifieds, book, and soon. You can view that now, a lot of publisher that will print many kinds of book. The actual book that recommended for you is Autumn's Kiss this guide consist a lot of the information of the condition of this world now. This kind of book was represented just how can the world has grown up. The vocabulary styles that writer use for explain it is easy to understand. The actual writer made some research when he makes this book. Here is why this book suitable all of you.
