John chuckled. "Don't worry, cow. I'm gonna make you feel real good."

After hearing her foster parents' sick plan for her future, **inexperienced** and naive Amber decides to run away. When a handsome, older cowboy named John picks her up in his truck, she believes her dreams of being rescued have come true.

But then Amber wakes up transformed and aching with a fiery need she doesn't know how to quell. Was it wrong to trust John? Can she handle all the things he and his friends are going to do to her? And why do they keep calling her *cow*?

HOT SEXY ALERT: This **6,000-word sexy, romance story** tells the tale of an **untouched younger woman** who finds love with an **older man** in an unorthodox place (the stall of a barn!)

It contains red hot scenes featuring **creamy good times, group fun, MFM, backdoor action**, hot **hucow** transformation, **breast play**, and much, much more. Not recommended for those who blush at strong language or for anyone under voting age.

Although the story will continue, this is a **standalone** story that has a **fully satisfying climax** and no cliffhangers.
