Navy Days: Memoirs of a Sailor in the 60's E. Jon Spear

It is 1960, and for a boy of 16, it was the beginning of the most exciting and challenging decade of his life. World events were being threatened by nuclear war with Russia. In November the youngest ever President was elected promising a better, brighter future for everyone. Unfortunately, Khrushchev and Castro weren't on-board with Kennedy's plans and we were heading for a showdown over Berlin and our failed Bay of Pigs attempt to overthrow Castro. For Eddie, the thought of military service became more exciting than school and hanging around the neighborhood. Planning to join the Marines, Eddie and his friends are disappointed when the recruiter is out to lunch. While waiting in the Navy recruiter's office, they are soon destined to join the Navy. As it turns out, Eddie is the only one to go. NAVYDAYS: Memoirs of a Sailor in the 60's, is the true adventure of naval service as a Radioman aboard two aircraft carriers - the USS Saratoga and the USS Franklin D. Roosevelt. Serve with Eddie and his shipmates during the perilous times of the Cuban Missile crisis and live the experiences of liberty in the Caribbean and Mediterranean seas. Guaranteed to make you feel you were there for an interesting and adventurous 4 years.
