On Becoming A Healer: Amulets, Angels and Potions Lloyd Woodward

This book is my adventure and exploration into God, Angels, Demons, Herb Women and their potions. I grew up to become a respected scientist, but along the way I had a psychic Mother and an Aunt who claimed to be a White Witch, who also wanted me to become a Healer and then one of God's Warriors. The stories about the psychic events are all true. As for the rest, I'll leave it up to you to decide. I came away with a firm belief in God, Angels, Satan, Demons and in the potions brewed up by the ladies who I most respectfully refer to as Herb Women or Swamp Witches.
