**Saving the King** George Gomez, Christine Gomez

Elvis Presley saves a young boy from a menacing stranger after a performance in 1956, setting up a chain of events that ultimately leads to a mystical encounter with an angel who sends Elvis on a journey that changes his destiny. The young boy grows up into a rich and powerful man who forces Elvis to confront the demons of his addictions. There are many threads to this story, such as the involvement of Johnny Cash to help orchestrate the plan while a down-and-out reporter investigates the mystery of Elvis' death, getting too close to the truth. As the tale unfolds, the listener will be pulled back to the days when the King of Rock 'n' Roll held court from his throne.
