Jessica B. Bell is not real. A couple of years ago I started writing horror stories and Jessica was born. I had fun creating a twisted and ominous biography for her, painting a picture of some crazy hermit who lived in my basement and wrote stories on old parchment using her own blood for ink. But she was never real. -----
An unspeakable act of violence leaves the residents of Ward C, home of a secret experiment, dead – torn apart. There is only one survivor... What happens when the creation surpasses the creator? How far will Jessica go to be real? Find out in SINGULARITY.
