The Catcher in the Rye Jerome Salinger

"The Catcher in the Rye" (in other translations - "Break on the edge of rye fields of childhood", "Catcher in the grain field", English The Catcher in the Rye -. «The Catcher in the Rye", 1951) - a novel by American writer Jerome Salinger. In it on behalf of the 16-year old boy named Holden in a very blatant form it tells about his heightened perception of American reality and the rejection of the common canons and morality of modern society. The work was immensely popular among young people and among the adult population, have a significant impact on world culture of the second half of the XX century. The novel was translated almost all world languages. In 2005, Time magazine included the novel in the list of the 100 best English-language novels written since 1923, and publisher Modern Library [en] included in its list of the 100 best English-language novels of the 20th century. However, despite this, at the same time in the US the novel has often been criticized, and the prohibition of the large amount of obscene language.
