The Magnificent 12: The Power Michael Grant

Michael Grant, author of the *New York Times* bestselling *Gone* books, shows his funny side in this fantasy-adventure series, which concludes with this fourth book.

Monty Python-like humor makes the Magnificent 12 perfect for fans of funny, action-filled series like Dan Gutman's *Genius Files*. The characters travel across the world, which also makes this series a great pick for readers and teachers with an interest in geography.

In *The Magnificent 12: The Power*, time is running out for Mack MacAvoy and the Magnificent Twel—er—Seven! In just a few short days, the Pale Queen will emerge from her earthly prison to destroy the world.

If Mack and the Magnificent Twel—er—Seven can convince the traitor Valin to switch sides, and then assemble the other four Magnifica, the Pale Queen won't stand a chance. It will all be over!

Maybe.
