The Stars in the Sky (Giving You ... Book 2) Leslie McAdam

When foul-mouthed, tattooed, vegan Marie Diaz-Austin accepted a summer internship on a ranch north of Santa Barbara to work with underprivileged and special needs kids she was expecting hard work. She wasn't expecting the gorgeous, but conservative rancher, Will Thrash who wants nothing to do with left-wing hippies like her.

While they both may be stubborn when it comes to climate change, they're much less rigid about considering a summer fling. Although they hate each other's politics, they can't deny their immediate and growing attraction to each other. But when the stakes are raised and they're forced to make a choice what will give? Their principles or themselves?
