They Must Be Made of Iron: An Historical Drama of the Iron Brigade at the Battle of Gettysburg

Charles River Editors

*Includes pictures of Gettysburg and the area where the Iron Brigade fought *Includes a table of contents

Without question, the most famous battle of the American Civil War took place outside of the small town of Gettysburg, Pennsylvania, which happened to be a transportation hub, serving as the center of a wheel with several roads leading out to other Pennsylvanian towns. From July 1-3, Robert E. Lee's Confederate Army of Northern Virginia tried everything in its power to decisively defeat George Meade's Union Army of the Potomac, unleashing ferocious assaults that inflicted nearly 50,000 casualties in all. Day 1 of the battle would have been one of the 25 biggest battles of the Civil War itself, and it ended with a tactical Confederate victory. To an important degree, Gettysburg played out as it did because of the Union Army's most famous brigade. The title of "Iron Brigade" has been given to a number of different U.S. Army brigades over the last century and a half, but it has become almost entirely synonymous with the Civil War soldiers who fought in the brigade for the Army of the Potomac. Also known as the "Iron Brigade of the West," "Rufus King's Brigade" and the "Black Hat Brigade," the Iron Brigade was comprised of the 2nd, 6th, and 7th Wisconsin Volunteer Infantry Regiments, the 19th Indiana, Battery B of the 4th U.S. Light Artillery, and later, the 24th Michigan. The Eastern Theater of the Civil War saw the bloodiest and most famous battles, as well as the biggest losses, giving the brigade a chance to demonstrate its mettle during legendary confrontations with Robert E. Lee's Army of Northern Virginia, most notably during its heroic actions on the first day of Gettysburg, which historian Alan T. Nolan once called the Iron Brigade's "last stand." However, thanks to that stand, the Union army held high ground outside the town after the first day's fighting, and over the next two days, Lee would try and fail to dislodge the Union army with attacks on both of its flanks during the second day and Pickett's Charge on the third and final day. Meade's stout defense held, barely, repulsing each attempted assault, handing the Union a desperately needed victory that ended up being one of the Civil War's turning points. *They Must Be Made of Iron: An Historical Drama of the Iron Brigade at the Battle of Gettysburg* dramatizes some of the most famous fighting of the Civil War. It includes pictures of important people and the parts of the battlefield where the Iron Brigade fought.
