Arthur Rimbaud

Collected Poems (Oxford World's Classics) Arthur Rimbaud

Rimbaud is the *enfant terrible* of French literature, the precocious genius whose extraordinary poetry is revolutionary in its visionary, hallucinatory content and its often liberated forms. He wrote all his poems between the ages of about fifteen and twenty-one, after which he turned his back on family, friends, and France to roam the world. In his final years he was a trader in the Horn of Africa. Out of this brief, colorful life and wilderness of sensory poetry, a mythic Rimbaud has been created. One of the greatest French poets of all times, Rimbaud has become an enduring icon of youth, rebellion, and freedom--though behind the myth of the man lies a poetic adventure of high ambition and painful rigor, poignant yet heroic. This bilingual edition provides all of Rimbaud's poems, with the exception of his Latin verses and some small fragments. It also includes some of his prose pieces, chosen because they offer a commentary on his poetic concerns.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
