Developing Cassandra Niki Hart

The camera never lies... When it comes to sex, Cassandra James is about as exciting as dryer lint. Until one night when her boss, a famed erotic photographer, invites her into the scene. Her world explodes with new desires, hidden fantasies, and an insatiable need to experience all she can. Including the wicked crops and crosses in her boss's playroom. The only thing keeping Cassie from truly committing to this new lifestyle is the gorgeous model who lives across the hall. But a guy like him would never understand the wants of a woman like her... Luciano De Moreno is more than just an international model. Once the premiere stud in one of Hollywood's top producer's stable, he craves more from life than being someone's pony. What he desires just happens to live across the hall. But there's no way a good girl like Cassie could ever love a man like him. A man with a sordid past and a penchant for crops and floggers. Just when it looks like he might have a chance, their future is threatened by a power player from Luca's distant past. It will take a daring choice, but Luca is determined to be free from his blackmailer. First, he must confess his sins to Cassandra.
