## **Getting Back to the Basics: How to Win with Money** C. P. Brim

I've spent nine years learning that smart money management is not complicated. It may be difficult, but it is not complicated. I have read a ton of books and articles that provide a "magic" formula to gaining riches only to find a pile of wrapped candy at the end of the rainbow instead of a pot of gold. There are a few basic steps that if followed consistently will allow you to win with money. In *Getting Back to the Basics*, I discuss these steps and how you can quickly apply them to your life. I do not promise instant riches. I do not promise overnight fortune. I promise peace of mind, a comfortable retirement and the ability to leave a powerful legacy using super simple steps that ordinary people have been using for hundreds of years. This book takes the guess work out of money management and speaks in a language that anyone can understand. It's like having your own financial advisor telling you exactly the right moves to make to achieve the greatest results. This timely gem of a book will change the way people behave in regards to money management by providing a clear track to financial awareness, peace of mind, and financial freedom.
