The poems in Love: Often Laughter are an invitation to fall in love. The poems are respectful and pure like a bouquet of romantic flowers. The book Love: Often Laughter by Dawn Heart is about romantic love, friendship, and fun. The book is full of, happy, love poems to make you both feel cozy and positive about loving and sharing laughter. (The kind of words you say in a relationship are reflected back to you. They are important.) The poems are lyrical, elegant, and full of the beauty of true love. They are written with the traditions of the best poetry but with modern vocabulary for today's reader. Lovely images are wonderful furniture in your brain. The things you think of, are, who you are. Give your self words and images to mentally rest in. These will impress when you repeat and send them. Feel the romantic mood of these delicious verses. Love is for every day; so when better to treat your self, or the one you love, or the one you hope will be you partner. (Because they are pure they are a suitable gift for any adult; but probably not suitable for children under the age of 13 due to there being adult themes. If it were a film it would probably be a Parent Guidance.) There is no erotic content in this book. If you are not a Romantic and you will not enjoy the book Love: Often Laughter then please do not buy it.
