There is no other passion so breathtaking and real, no other love so wild yet tender. And no other can set the heart racing with such glorious unbound abandon.

NO OTHER LOVE

Their fates first collide in the shadow of the Black Hills--when Sabrina Connor, fleeing her stepfathers cruel tyranny, is tempted by the sweeter captivity of Sloan Trelawnys arms. Their lives entwine again in the Scottish highlands a world away--when Sloan rides to the ladys rescue, hoping to experience again a rapture he once briefly tasted and can never forget.

Now an unborn child binds them and though she fears the hot Sioux blood that runs through his powerful body, Sabrina must follow Sloan back to the untamed Dakota territories--to stand as wife by his side, in the perilous midst of the war that rages between Custers cavalry and Sitting Bulls warriors--for the sake of a passionate love that two wild and yearning hearts can no longer deny.
