Edmund Burke

The Works of the Right Honourable Edmund Burke, Vol. 01 (of 12) Edmund Burke

The first of twelve volume of the collected writings of Irish philosopher and statesman Edmund Burke. This work contains Burke's first published work, A Vindication of Natural Society - which is a satirizing of the absurdity of arguments for aesthetic rationalism in the style of those arguments - and A Philosophical Enquiry into the Origin of Our Ideas of the Sublime and Beautiful, his own lengthy, less ironic discussion of aesthetics and taste and his only purely philosophical text. The book also contains a few introductions and preliminary essays.
