Here is a brief excerpt from one of the stories:

Branson hiked up Candice's skirt, grabbed her hands and directed them to her hips making her hold her skirt scrunched up so as to expose herself. He then removed his belt, doubled it up, and walked around behind Candice. He gently slid his cold leather belt back and forth over Candice's perfect, firm butt cheeks. Then suddenly he smacked her hard on the ass with it making her tighten up with pain! It was all Candice could do to keep herself from screaming out in agony. She knew that would only encourage more painful actions to be taken against her. Candice generally enjoyed being spanked, but Branson was being a lot rougher than usual. "Annie, get Candice out of her restrictive clothing."

Annie did as she was told. She slowly and seductively started undoing the buttons on Candice's tight fitting blouse. Annie was totally taking in her scent, the sight of her smooth skin and the sound of her breathing. She wanted to touch that soft, young skin, but she simply unbuttoned the blouse and slid it off of her shoulders. Her perfectly proportioned breasts and erect nipples were a delightful sight and it was all that Annie could do to keep her mouth from biting them. She tossed the blouse on the floor as she had been instructed to do in the past and unzipped the short zipper on the side of Candice's skirt. She was not to allow the skirt to fall to the floor. She was to move it slowly down over her hips and kneel as she lowered it until Candice could step out of it. Annie performed her duties perfectly. She was well trained.

"Candice," Branson commanded. "Remove Annie's skirt." Candice complied following the exact same procedure that Annie had used. The difference was that now Annie was wearing only her blouse and her high heel shoes. She did not have panties on today. Branson inspected Annie closely. "Candice, there is a bit of moisture running down Annie's inner thighs. Clean it up for her."

Candice knelt before Annie and began licking the moisture from her thighs. Her tongue felt delicious as it worked softly up the insides of her thighs and then cleaned the lower portion of her moist pussy lips as well. Annie wanted to grasp the back of Candice's head and pull her mouth firmly into her pussy, but she remained in control of herself and restrained from doing so. While Candice continued to lick away at Annie's swelling lips, Branson spoke again.

"It might not seem fair that I punish Candice, but this is the way I see it. Someone screwed up and I don't

know who it was,” he began. “And, shit rolls down hill. Since you, Candice, are at the bottom, then guess where it has to land. Annie, I want you to go over and lie back on the center of my desk, keep your feet on the floor. Candice, you are going to lick her pussy until she cums.”

If you enjoyed this small taste of HOT action, then grab the series. You won't be disappointed!
