Clara Soutelo is a sixteen-year-old girl who spends her summers in the town of Vilarelle in Galicia. She descends from a well-to-do family that was on the winning side in Spain's Civil War and that occupies the manor house in Vilarelle. All the local families look up to them, and Clara has taken this attitude for granted. That is until the summer of 1995, when a skeleton is discovered in the manor house during restoration work. It has been walled up for many years, perhaps since the time of the Civil War, and the skull has a bullet hole. Clara also discovers a ring bearing the initial "R." What is the identity of the victim, and who wielded the murder weapon? The search for the discovery of the truth will lead Clara into her family's inglorious past through the witness of the town's inhabitants, and will also sow the seeds of romance between her and a young mechanic by the name of Miguel, descendant of the bookbinder Ishmael, with whom she shares the secret pleasure of reading. Other titles in the series Galician Wave include: "Heart of Jupiter" by Leticia Costas, "I Love You Leo A. Destination Somewhere" by Rosa Aneiros, "Dragal I: The Dragon's Inheritance" by Elena Gallego Abad, "The Painter with the Hat of Mallows" by Marcos Calveiro and "Dove and Cut Throat" by Fina Casalderrey.
