Despite a past she has been hiding from for two years, curvy girl Lottie joins an animal rights group to help the animals kept in appalling conditions in a nearby circus. But when she lifts the tarp, and takes a photo of the caged lion, what she sees will change her life forever.

Or should that be *shift* her life forever!

Tricked into being a circus lion by a sadistic lion tamer, Daniel is trapped, with no end to his suffering in sight. They have exactly the right kind of leverage over him to keep him under control.

But he longs to be free, to go across the border to Shifters Prime, and live like a normal shifter.

However, Daniel is about to find out that fate moves in very mysterious ways, and when a stranger looks into his cage, he knows she is his mate.

Can she help him escape? Can she help him achieve the impossible, and return to Shifters Prime?

When her past catches up with Lottie, it seems the rescuer will be the one in need of rescue, and who better to do so than a handsome hunk of lion flesh.

The only problem; you can only enter Shifters Prime with a visa, which she doesn't have ... unless you are a shifter ... which she isn't ...yet!

Freeing a Lion is the second book in the Sleeping Lions Series. Book One - Living a Lion is already on sale.
