Hunting The West Memphis Boogeyman David Pietras, Amanda Pettrey

Twenty one years after the brutal murders of three eight year old Cub Scouts in West Memphis, Arkansas, there seem to still be more questions than there are answers. We have gone all the way back to the beginning and looked through years worth of evidence. What we have found may truly shock you.

Sifting between truth and lies, rumors and reality, and taking quite an emotional roller coaster ride, we have put together a book that strives to present nothing but the cold hard facts of what truly took place on the night of May 5, 1993 in Robin Hood Hills to Steven Branch, Michael Moore and Christopher Byers.

Everything you think you know about this case is about to be turned upside down. The time has come to find out who truly is “The West Memphis Boogeyman”.
