I giorni del sale (Italian Edition) Daniela Schiarini

Il dolore per la morte della sua fida gatta diventa per Veronica l'inizio inconsapevole dei suoi giorni del sale: i giorni della guarigione. Nel breve tempo di un'estate Tabata, diretta discendente del gatto egizio che racchiude in sé divinità e mistero, continuerà a darle segni della sua presenza e come spirito guida, in nome di quell'amore che le ha unite nell'anima, accompagnerà la protagonista ai confini di se stessa, perché vinca la sua battaglia interiore contro ansia e ossessioni. Come seguendo la trama di un telo di bisso Veronica nel bisso vedrà impresso il volto di Colui che la guarirà.
