- Eric Powell is a sick, sick man. Sick... but *brilliant*. How else would he have been able to come up with a concept like *The Goon* — a smarter-than-he-looks brute raised by carnies, who runs the city's underworld while protecting it from being overrun by zombies? How could anyone not love that idea? Now's your chance to take a look inside the sick mind of this Modern Master, courtesy of co-authors Jorge Khoury and Eric Nolen-Weathington. Through a career-spanning interview and heaps of fantastic artwork, including rare and unseen treasures from Powell's personal files, this book documents his amazing career and details his creative process — it even includes a gallery of commissioned pieces in full-color.
