My "c" Book Jane Belk Moncure

The "My First Steps to Reading" series is based on a teaching activity that helps children learn to recognize letters and their sounds. The use of predictable language patterns and repetition of familiar words will also help your child build a basic sight vocabulary. Your child will enjoy watching the characters in the books place imaginative objects in "letter boxes." You and your child can even create and fill your own letter box, using stuffed animals, cut-out pictures, or other objects beginning with the same letter. This book concentrates on the hard "c" sound in the story line. Blends are included. Words beginning with the soft "c" sound are included at the end of the book.
