New York is about as far away from Iowa as you can get and when Natalie Vasser leaves her home for the big city after college graduation, everything seems possible. The past four years have been spent with Ethan, the only man she's ever loved, and she wants to be there for him as he follows his dream.

Reality soon sets in though and she realizes life in New York City isn't what she expects. Making the rent and paying the bills becomes priority, not each other. Times are hard and emotions are strained, but Natalie's certain her future is with Ethan...that is until she meets Drew Saben.

The more she gets to know Drew, the more she starts to wonder if maybe the life she's planned for herself isn't the one she wants after all. How far will she have to fall until she discovers what she truly wants?
