Will Shortz named Hooked on Puzzles #7 one of "the best puzzle boos of 1994" in Games magazine. Now Henry Hook has come up with a new collection of contemporary cryptics, crosswords, and crostics that all true puzzle fans will want to conquer. A playful blend of pop culture and high art, these puzzles are presented with the brash wit and sophisticated wordplay for which Henry Hook is famous. Anything goes when you sharpen your wits on Hook's cutting-edge constructions, described by the Copley News Service as "challenges from the far side of puzzledom's new wave." Henry Hook is a crossword puzzle constructor for The Boston Globe Magazine as well as the creator of Simon & Schuster's Hooked on Cryptics Series.
