\*\* This love story is a suggestive romance. The love scenes will not be graphic. Tate Morrow, a new on the scene, single, sandy-haired, blue-eyed, country singer is making his way up the country charts. His first single thrusts him into reluctant stardom, and the question becomes, 'who will win this cowboy's heart?' He meets Maisie Bolden, seamstress to some of Nashville's elite - a dark haired beauty, experiencing her own reluctance - and he knows the answer to the question. Emotional struggles keep Maisie from giving in, but Tate's charm and persistence finally steal her heart. Personal trials keep them in an unwanted spotlight, until finally, a story comes to light that places them firmly on a path to a future Tate Morrow never dreamed of. Take this ride with them and follow Tate's heart on his journey of a lifetime.
