## **Theft of Utopia: Manipulation and Deception** Mr. Jeffery Alan Bogner

It's not conspiracy theory, it's just a conspiracy! There is a push for a one world government and it's disguised under Globalism and immigrations. The bankers, Wall Street, and a select few control this all and are using the Media to distract and divide everyone. They are contaminating our food with cancer causing chemicals like MSG, high fructose corn syrup, and aspartame. They place mercury and formaldehyde in vaccinations then make them mandatory. Those two chemicals destroy the DNA are responsible for birth defects and cancer. Fracking is poisoning our wildlife, our rivers, and lakes with 100's of carcinogens. They are spraying chemicals in the air which are responsible for the mass die off of bees and bats as well as allergies and respiratory disorders. They are destroying our insides with GMO food and protecting these very same GMO producers and Big Pharma with legislation, making them exempt from prosecution. They are creating so much debt that it's nearly unrecoverable. Corporate profits continue to increase to record numbers while corporate taxation decreases while poverty grows and the middle class shrinks. The gap in wealth is at its widest gap in the history of the United States. Both parties are controlled by the same group. They just give the appearance of two parties so that people stay distracted and divided. It's time to wake up. It's time to spread the word about what is going on. Before it's too late!
