European Rural Landscapes: Persistence and Change in a Globalising Environment

European Rural Landscapes: Persistence and Change in a Globalising Environment

This book, a compendium of 28 papers selected from two recent conferences on the topic, focuses on aspects of rural landscape, broadly related to issues of language, representation and power. These are issues that have not been addressed on a pan-European landscape level before. The aim is to offer a deeper interdisciplinary understanding of historical and contemporary processes in European landscapes.
