**Generation Jobless?: Turning the youth unemployment crisis into opportunity** Peter Vogel

*Generation Jobless?* uniquely explores the characteristics of both today's and tomorrow's youth and the causes of the youth unemployment crisis. The book takes a global, multi-stakeholder perspective to showcase proven solutions to tackle the crisis. Featuring interviews and input from business leaders, policy makers, educators, entrepreneurs and the *Next Generation* itself, it offers a positive and constructive look at change by directing each group to become part of the solution and in particular youth to take on responsibility for themselves and their peers by turning into job creators rather than job seekers.
