Friends with benefits...

The Deal: Elizabeth Anders and best friend Bradley Hunt made a pact—if they were both single at thirty, they would add a "naughty benefits" package to their friendship. Now it's time to seal the deal...and it's going to involve much more than just a kiss!

The Dilemma: Elizabeth is all about The Career. No relationships, no complications. Still, the chance to indulge in the barely controlled lust between her and Bradley is more than she can resist. But Bradley has an agenda of his own...

The moment they touch, years of longing explode into a tempest of desire. And if they're not careful, this "benefits" package will be the ultimate deal-breaker.
