Do you wonder what our worship will be like in Heaven? The center of our faith is based on believing in Jesus Christ, with the assurance that we will live with him and the Father for eternity. God gives us a glimpse of what that will be like in heaven while we are on earth. Throughout the Bible, we see the pomp and circumstance that surrounds the throne of God. With angels and trumpets, white robes and crowns, we see that God is enthroned with true worship from beings that desire to give him their undivided worship and praise. The visions of heavenly worship presented throughout scripture are the most concrete images that the Bible gives the church for interpreting how we should conduct earthly worship in our corporate gatherings. Practice for Heaven looks at the role of music in the bible, the corporate consensus of what has been acceptable for public worship in the past, and why church music should look to heaven for creating music to aid the churches ongoing worship. Just as a musician practices his or her instrument, all of our worship-and all of our music in corporate worship-is essentially practice for heaven.
