**Should I or Shouldn't I? What Would Others Think™? (Elementary School Edition)** Dominique Baudry

The Elementary Edition of our popular Should I or Shouldn't I? What Would Others Think?™ game encourages players ages 8-11 to think about their own behavior choices and then compare how their perceptions match (or don't) those of the other players. The game makes thinking and talking about behavior fun, and allows players to explore their own thoughts, perspectives, and choices within a safe and consequences-free environment. Game play offers abundant opportunities to practice Social Thinking concepts, perspective taking, and problem solving skills, and discuss how our individual behavior choices affect those around us. The game is based on the Social Thinking concepts and vocabulary introduced by Michelle Garcia Winner and outlined in her many books and articles on the topic.
