Among the living or the dead, he's never needed anything from anyone.

Shadow Mage Gethen is a powerful necromancer, keeper of the border between the living and the dead, and brother to the king of Besera. But with his dark powers failing and a vengeful entity attacking, Gethen should be happy when a formidable lady knight appears at his gates. He's not. The price for her aid is steep—his allegiance in a war against his brother.

In battle or in bed, she's never met a man she considered her match.

MiliteSS Halina is undaunted by the threat of war between her country and neighboring Besera. She earned her titles by shedding blood and breaking bones. She uses her body to reward soldiers who serve her loyally, and to punish those who don't. And Halina's never met a man she couldn't command or crush.

Until now.

Passion and power unexpectedly ignite when a blizzard traps Halina at Gethen's citadel. With the evil entity's onslaughts rapidly deteriorating Gethen's sorcery, they have little time to understand their unexpected attraction. But could their passion be the key to defeating an ancient enemy that's hell-bent on obliterating their world?

The Shadow & The Sun combines the sword & sorcery elements of epic fantasy with paranormal elements and wraps them around a romance. It also includes a powerful heroine who makes no apologies for being a woman and a warrior, who uses her body and her mind, and who will never be confused for a damsel in distress.
