The Wolf's Stray Cat: M/M MPREG Paranormal Romance Wendy Quinn

Ivan Shy was banished from his family when he came out as gay. Now on the streets of a new city, Ivan sells himself to save money for a better home and a better future.

However, things turn for the worse when alpha wolf Gordon Tellis picks him up.

I gnarled my teeth, nearly hissing. Pushing open the two grand oak doors, my gaze fell on his perfectly outlined body. The way his slacks fit around his waist was delicious, but forget that, I wasn't here to drool over this man!

"You! You-" The words were lost, how was I going to get this across to him.

"Yes, me... Why did you come, Ivan? Are you ok?"

I concentrated on dimming down my anger, I had to keep my cool or else I would get nowhere.

"Gordon, something very serious has happened. And... I..."

Gordon walked over towards me and tilted my head up by the chin. God those big hands were sexy. Pretty sure that Rolex on his wrist was at least five figures.

"Ivan... go ahead. Say it, what's troubling you."

Tears started to burn my eyes, why the hell was I crying? Emotions ran through me like a jumbled mess.

Maybe it was because of the baby?

"Gordon, I'm pregnant..." I whispered.

Gordon was silent. I didn't know whether it was anger or something else. I looked up at his cobalt eyes once again, looking for a response.

"I can't afford an abortion. So I came here to-"

"No!" He said defiantly, "Why would you want an abortion?"

I ripped my chin out of his hand and stepped back. Was he out of his mind?

"Look here, Tellis. I don't have money and a support system like you. I don't need or want fatherhood. Now give me-"

He grabbed my face and smothered me in a kiss. My anger was fading fast, falling in favor of his taste. His kiss tasted of early morning whiskey and orange juice. The scent of faint aftershave and wolf made me blush and feel dizzy. Gordon had a way with his mouth. I broke the kiss, it wasn't going to end like this. I wasn't going to fall for him. I needed that darn four thousand dollars, now.

"Gordon, we- I can't."

"Why not? Do you belong to someone else?"

"No, and I never will. I just need this abortion. That's all. I'm not gonna black mail you for more than I need."

"I'm not giving it to you."

His words pierced the air, he wasn't going to budge. Come on, I didn't want to resort to black mail, but I would if he didn't make this easy.
