Valentine's Day of the Undead (Megan Berry: Zombie Settlers) Stacey Jay

Q: What could be worse than spending Valentine's Day alone? A: Spending it with evil zombies!! Megan Berry is no stranger to heartbreak, but spending Valentine's Day serving other happy couples hot dogs while mourning the loss of her one true love is almost more than even a highly trained Zombie Settler can handle. So when her recently estranged boyfriend, Ethan, texts her asking her to be his Valentine, she ditches her bodyguard and rushes to his side. But soon, Megan's dreams of chocolates, flowers, and lingering make-up kisses take a turn of the rotted-corpse-and-maggot variety and Megan fears that her first Valentine's Day with Ethan...will be her last.
