There's an impressive cluster of museums located in the charming district of the Marais. The Pompidou, Picasso and Carnavalet museums could all be enjoyed in one day with the right map. The following day set forth across the Seine to see the Musée d'Orsay followed by a short stroll up the rue Jacob to visit the Delacroix museum.

The ARTWISE® Paris Museum Map is more than a refined map of central Paris. Gallery walks, museums and other cultural institutions are featured. In the case of the Louvre, the map also indicates the less crowded entrances. The museum index lists hours, address, nearest metro stop, admission charge information, telephone, and a brief description of the highlights of the collection. Should feet fail, an inset map of the Paris metro will serve your navigation requirements around the city. If you are completely exhausted or teetering under the weight of numerous museum shop purchases, find your way to the nearest taxi stand, also clearly marked on the map. This stylish map will enable you to visit more museums than with any other guide.
