“When I’m done with you, you will not look at dreams the same way again.”

This is not a dream dictionary. I have made it my mission to take what I have learned and pass it on to you. I will be exploring the scientific and spiritual side of dreams. I will also share my experience and the truth behind dreaming of the past, present and future. I will also discuss the experiments done and how you can experiment on yourself to find the answers you seek as well as how to control your dreams and many, many more. The truth is right at your finger tips. You have the key. Are you ready for the truth behind your dreams? Let’s explore the truth together

Thank you to everyone that has taken time to review my book. No words can explain the happiness it brings me. Thank you again and have a great day.
