Homeschooling, simplified: great books to study Canadian History (Volume 6) Bonnie P Landry

This book provides a chronological list of books that can help families study Canadian history through literature. Over 200 books are reviewed and organized into eras. Each book has a short description, and a key to determine it's age category. Canadian artists and poetry that would fit in well with Canadian history studies are included and cross referenced according to the era being studied. As well as this excellent list of books, covering Early Canada to the end of the Second World War, there are helpful chapters on how to use literature to study history and geography. Resources are listed throughout the book, and compiled in a resource chapter at the end of the book.
