## **Mail, Vol. 3** Housui Yamazaki

Private detective Reiji Akiba has a theory about those awkward moments and weird coincidences we all encounter in life. They are actually encounters with the dead - their way of sending us a message. But you may not want to open such strange mail from beyond - not unless you can see the ghostly attachment, like Akiba can. And not unless you carry a tool that can kill what isn't alive, like Akiba's sanctified gun Kagutsuchi... digging a divine grave to lay to rest the evil dead! Volume 3 opens with Detective Akiba taking a trip down memory lane, to his childhood, when as a young blind boy, he befriended a little girl in the woods near his house. Theirs was a clandestine relationship and the tragedy that ensued would later resonate in Akiba's adult life. In "Un-notifying," Detective Akiba must help a young woman terrorized by the ghost of a lonely girl whose lifeline to the world of the living is an old cell phone. These and other postcards from purgatory await you to be read in Mail Volume 3!
