Our Sacred Honor (Prelude to Glory, 1) Ron Carter

In epic style, the new historical fiction series Prelude to Glory chronicles the miraculous events that gave birth to a new nation. In Our Sacred Honor, the first volume in the series, master storyteller Ron Carter presents the early events of the Revolutionary War through the eyes of common people. We meet the heroes, but we see them through the eyes and hearts of the soldiers and the sailors, men and women, who came out of the shops, fields, and forests and paid the price. No human mind could ever have created a plot so diverse, so intensely gripping, so inspiring as the story of the American Revolution. Through fictional as well as real-life characters, Prelude to Glory powerfully depicts that dramatic story.
