Welcome to Red Twilight. Here men may become monsters and monsters can be beautiful. Snake Gekks, El Driver, and Richard Blake have escaped the darkness once, but the darkness has a terrible hunger for life. New plots arise and the hunters must do battle again, this time accompanied by allies: Joe Dove, a high-ranking member of the Von Richton Watchers society, and Reizuki Lowe, a mysterious and brilliant young man. Be it for love, honor, or duty, these warriors will stand and fight again for the fate of this world. Now they find themselves at odds with a new enigmatic man- Marks Karingson, a man powerful enough to defeat death . . . What will your impotent God do? Your God has failed to deliver you from evil a dozen times already. Your prayers are quaint but utterly meaningless. Your worship is misplaced. The world will not be spared the never-ending darkness by any unseen father figure! Nothing but sweet hot blood spilled upon cold earth can hope to fulfill your miserable hallucinations of peace. I am the sword and the shield that will deliver you from the grip of sorrow. Only I can materialize your dreams, and I will cast away despair and I will do it if I have to send us all to hell first! Send me your lords and your kings, your sisters and your brothers, your bishops and your fools, sinners and saints. Let them all come and be enveloped by my rage! You can have your war, and when it ends, I alone will rise as a goddess from the ashes of dissilience. You shall leave behind. Your lord will grovel in disarray at the power I shall unveil. -Wright Von Richton
