### Exotic Adventures for Erotic Nights...

The Samarkand Sheikh's Harem is a series of romantic, sensual, erotic novellas intended for adults only. These sexy adventures, part-historical, part-fantasy, are the naughty little secret of a multi-published romance author.

It's midnight at the oasis city of Samarkand, which lies on the Silk Road from China through Persia to the Mediterranean Sea. In this 15th century land of silks and spices, caramel sand and lapis lazuli skies, Prince Tashfin ibn Ali takes his pleasure each night from one of the beautiful women in his harem.

Farah and Alesha have struck up a friendly rivalry as they vie for the Prince's affections. He is tender and gentle with Alesha and, once his favorite, Farah is jealous of the attention he is paying his new wife. Farah is certain he loves her, but she longs for the intimacy she believes lacking in her own relationship with him, while Alesha knows that sexually he will always favor his feistier wife. But when their pranks go one step too far, they are both going to draw the Prince's wrath...

The Prince is a clever man and a skilled lover, but the workings of a woman's heart are a mystery to him. He tries his best to keep his harem satisfied, but he cannot understand the animosity between his two young wives. He sets out to punish them the only way he knows how—with pleasure, but Farah's final admission reveals that the secret to satisfying her lies in the one place the Prince has not expected—her heart...

Adults only.
