Be careful where you dig for secrets...

Pine Point, Book 3

Sienna Cruz left Pine Point at age fifteen after her mother's untimely death. Eleven years later, a job teaching special needs kids has brought her back. At least, that's what she wants everyone to believe.

Raised in a poverty-stricken, single-parent household, Sienna is earning her PhD with a dissertation proving even too-perfect-to-be-real Pine Point is a hotbed of small-town secrets and scandal.

Leaving Pine Point turned out to be the biggest mistake of Mike Springer's life. After eight years on the West Coast, coming home to open a local gym is the first step toward a fresh start, this time with the support of friends and family.

Sparks fly the moment Sienna walks into Mike's gym, and it isn't long before they're workout partners with benefits. Then her research not only hits too close to Mike's fiercely guarded past, it exposes a sordid truth about skeletons Sienna didn't know she had in her own closet.

Warning: Contains a class of cute kiddoes that will melt your heart and a sexy tattooed gym owner who can pump more than just iron...
