WITNESS HOW people have changed the world with their hands and brains over more than 10,000 years from the Stone Ages to the present day. This unique history of science and engineering includes a 2 metre-long fold-out timeline containing more than 1,000 pictures and captions that tell the story of the world's greatest scientists and inventors from ancient China to the Middle East and from enlightenment Europe to modern America. The Wallbook of Science & Engineering also includes the Wallbook Chronicle that reports on more than 30 key moments from the timeline in the style of a newspaper. Other features include a crossword, letters to the editor, 50-question quiz and pocket magnifier. Perfect for 7-14 year olds but equally fascinating for all curious adults. Developed with experts at the Science Museum in London.
