Twimericks: The Book of Tongue-Twisting Limericks

Lou Brooks

Twimericks: The Book of Tongue-Twisting Limericks Lou Brooks

Pure nuttiness: the *Twimerick*, a fiendish confection of limerick plus tongue-twister, topped off by the deliciously whacky illustrations of its inventor, Lou Brooks. To wit (and to be read out loud quickly):

*A petulant flatulent
platypus starts,
To tooting and flouting his flute to his farts,
But at platypus outings,
His flatulent floutings,
Flout his flute flat at the
tootiest parts.*

Nonsensical whimsy?or whimsical nonsense?Twimericks are a form of wordplay that are irresistible for kids, as well as for grown-ups unafraid to be silly; perfect to be read at parties or in a classroom when learning poetry (that's right, who knew poetry could be so much fun?). And the book itself, like the best poetry collections, is a gem offering one Twimerick per page, each illustrated in full-color by the author, a legendary commercial artist. Open to any page and feel the unbridled creative energy spilling out. It's pure happiness.
